Dear Neighbors and Friends,

*Καλωσορίσατε* - Welcome to our festival!

On behalf of our parish community, I welcome you and truly hope that you enjoy your visit. Saint Anthony Greek Orthodox Church is proud to host this exciting Reno tradition, which is now in its 31st year. At this festival, you can experience our legendary food, dancing and traditions, all while making new friends!

During your visit please take the opportunity to see our church sanctuary and to learn a little about the iconography, history and place of Orthodox Christianity in the world. Without a doubt, it is our Orthodox Christian Faith that unites the faithful members of our parish.

I am grateful to you for supporting our festival, and we ask God's blessings for you and for all throughout our Reno community.

*Με πολύ αγάπη* – With much love,

*Father Stephen Karcher*

Rev. Fr. Stephen Karcher

# SAINT ANTHONY GREEK DANCERS

## Set List 1

\*Sta Dyo ~ Our little group leads us off with this dance from Epirus.

Souflioutouda ~ A fast-paced dance of Thrace. You will notice how our female dancers hold our hands in a "basket" and dance close together.

Our choreography exaggerates line movements.

Baidouska ~ This dance, performed by our 10-13 year-olds, features a circular sequence of steps believed to resemble battle tactics, and originates from Thrace and Macedonia.

Gaida ~ This dance is named after the instrument "Gaida," a goatskin bagpipe used in Southeastern Europe. You will hear its distinctive sound in our music!

Sousta ~ A couple's dance with origins in the Aegean Islands and Crete in which the couples face each other, executing steps and movements in unison.

Kalamatianos ~ The national dance of Greece! 10 steps but easy to learn, come up and join us!

## Set List 2

Hasaposerviko ~ This dance, performed by our little group, originated in Constantinople during the Middle Ages.

Karagouna ~ This dance from Thessaly is one of the most well-known folk dances in Greece. It is performed by our female dancers.

Baidouska ~ This dance, performed by our 10-13 year-olds, features circular sequence of steps believed to resemble battle tactics, and originates from Thrace and Macedonia.

Pentozali ~ Coming from the Greek word *Pente* "five" and Cretan Greek

Zalos "step," each of our male dancers will have a turn at the front of the line, showcasing acrobatic steps.

Sousta ~ A couple's dance with origins in the Aegean Islands and Crete in which the couples face each other, executing steps and movements in unison.

Kalamatianos ~ The national dance of Greece! 10 steps but easy to learn, come up and join us!

### **Set List 3**

\*\*Hasaposerviko ~ This dance, performed by our little group, originated in Constantinople during the Middle Ages.

Tsamiko ~ Danced by our 10-13 year-olds, this popular folk dance highlights simple but precise steps that emphasize the beat of the music. Joey, the only boy in this group, will be adding his own style and acrobatics to the performance.

Zorba ~ We've taken choreography from the dance in the movie, "Zorba the Greek" (1964). You will recognize the music as soon as you hear it!

Ballos ~ A lively line dance from the island of Kefalonia that showcases individual couples.

Modern Pentozali ~ We mix contemporary music with traditional dance steps from Crete. The modern version includes both male and female dancers of our older group.

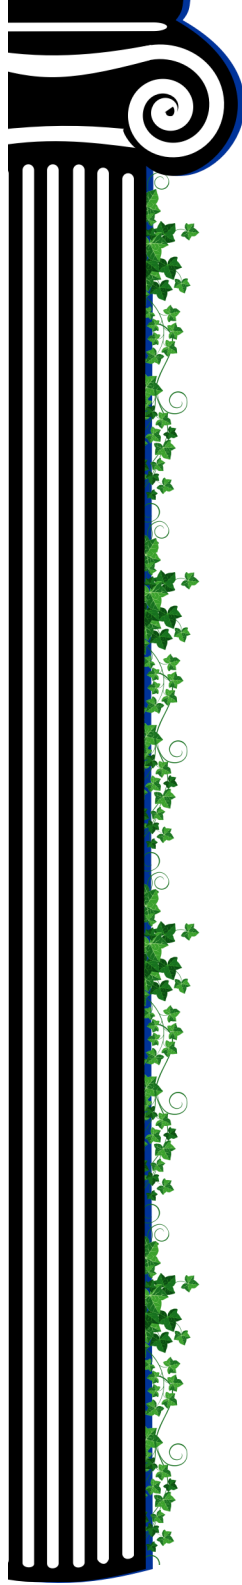

Kalamatianos ~ The national dance of Greece! 10 steps but easy to learn, come up and join us!

\*except at 1:30 on Saturday; we will be dancing Karagouna instead

\*\*except at 8:45 on Friday and 3:00 and 8:45 on Saturday

*Thank you for attending our Greek Festival!*

# Hellenic College Holy Cross

is the intellectual, spiritual, and educational center of the Greek Orthodox Archdiocese of America — two schools, one community, deeply rooted in faith. Here, young men and women are taught to serve others out of an overflowing abundance of the lifegiving faith they experience. Service is the heart of the community, embodied by the internships and real world experience of our undergraduates and the field education in parishes of our graduate students.

## Adult Education at our Parish this Fall

### INTRO TO ORTHODOX CHRISTIANITY

Beginning this fall, an evening class on Orthodox Christianity will be held on Wednesday's at 7:15pm. This class is for anyone who wishes to learn more about the Orthodox Church. Whether you're long-time Orthodox, newly Orthodox or not Orthodox at all, parishioner or non-parishioner, you are invited. There will be a minimal fee for materials, otherwise the only requirement is that you have an interest in learning about Orthodox Christianity! To sign up please send an email titled 'Orthodoxy Class' to [fatherstephen@att.net](mailto:fatherstephen@att.net)

### WE READ TOGETHER BOOK CLUB

This Fall we will be starting a book discussion club. Our first book is titled "*The Science of God - The Convergence of Scientific and Biblical Wisdom*" by Gerald L. Schroeder. This book demonstrates the surprising parallels between a variety of Biblical teachings and the findings of biochemists, paleontologists, astrophysicists, and quantum physicists. In a brilliant and wide-ranging discussion of key topics that have divided science and religion—free will, the development of the universe, the origin of life, and the origin of man—Schroeder argues that the latest science and a close reading of the Bible are not just compatible but interdependent. Religious skeptics, Biblical literalists, scientists, students, and physicists alike will be riveted by Schroeder's remarkable contribution to the raging debate between science and religion. Plan to join us! Meetings begin this September and will be led by Tom Stamos. This book is available now in our parish bookstore. To sign up send an email entitled 'Book Club' to [tomstamos@hotmail.com](mailto:tomstamos@hotmail.com)

### GREEK LANGUAGE CLASS FOR ADULTS

Would you like to brush up on your Greek? Would you like to have a conversation in Greek? Would you like to get together with fellow parishioners and try your Greek? Here is your chance. The Greek class, taught by Nick Tsoulfanidis, [tsoulfan@sbcglobal.net](mailto:tsoulfan@sbcglobal.net), will resume on Monday Sept. 10, at 6 pm in the small Hall at Saint Anthony Greek Orthodox Church. Contact Nick to sign up or if you would like additional information.

A woman with dark hair, wearing a black halter-neck dress with a vibrant, multi-colored pattern, stands barefoot on a sandy desert path. She is positioned in front of a large, weathered rock formation that resembles a giant's head or a natural archway. The rock is a warm, reddish-orange color. The background shows a vast desert landscape under a clear, bright sky. The overall mood is serene and artistic.
